DAY THREE

FAITH RELEASE

Mark 11:23

“believe that the things you say shall come to pass...”

FAITH RELEASE

“Your mouth is the trigger that releases your faith!”

Faith is located in your heart and mouth. (Romans 10:8-10) It will remain in your heart, never to function and change the circumstances of your life, if you don't get it out where it can work for you.

Faith resides in your heart but is released by the words of your mouth.

Mark 11:23 did not say that you are going to have what you believe. Even though what you believe is important to your faith, it is only one half of the package. It must be activated through your words that are in line with the Word of God.

The greek word for confession means to agree or say that same thing as God. Releasing your faith is the result of believing God's Word in your heart and being bold enough to speak it out of your mouth.

You believe in your heart what God said in His Word and by faith, you speak it out of your mouth in agreement with what God said. It's the heart and mouth connection that makes your faith complete and releases its power into your life.

You are going to have what you say, not just what you believe!

Faith Confession

Father I stand on Your Word and I thank You for the power I have through the name of Jesus Christ. I thank You for favor in every situation I face in my life and I walk in Your authority in the name of Jesus, AMEN!
